PROSPECTUS

2022-2023

About the College

N.V.K.S.D. College of Education is a linguistic minority co-educational teacher education institution affiliated to Tamil Nadu Teachers Education University, Chennai. The college was incepted in the year 1963 by the Nalloor Vettuvanni Kandan Sastha Devaswom Trust under the dynamic leadership of Sri. K. P. Ramakrishna Pillai, the then President of N.V.K.S. Educational Society. The trustees of the Devaswom hail from five Nair families belong to the linguistic Malayalam minority of Kanniyakumari District. The college was established as a pioneer teacher education institution and it is the one and only government aided teacher education institution in the district.

The college aims to provide quality teacher education to students of the area who want to enter the teaching profession, especially the poor aspiring teachers from rural and down trodden communities. From its very inception, the college management and the faculty have been taking special care to develop serene and motivating learning environment and an excellent academic ambience, where the new generation teachers along with their professional orientation, would get training in a disciplined social life. The college offers the prospective teachers an environment where they can unfold their creative talents and professional teaching skills with special attention paid to their over all development such as social, moral and ethical. Special importance is given for inducting the prospective teachers into the theory and practice of education through varied curricular experiences like internship, fieldtrip, extension programmes and other co-curricular activities.

The facilities provided by the college include well-equipped library, laboratories, classrooms as well as academically motivated faculty and a visionable management with progressive concepts about teacher education. In conformity with the vision (Gnana, Dharma and Sneha) of the college, the prospective teachers passing out from this institution are more conscious of their social responsibilities and professional etiquettes. The institution has always steadfastly pursued the main objectives of teacher education where the institution gives equal importance to teaching and learning, research and extension activities. The college is also an approved study centre of IGNOU programme.

Vision

Gnana (Knowledge), **Dharma** (Righteousness), **Sneha** (Love)

Mission

- ❑ Develop a teacher education institution capable of maintaining global standards.
- ❑ Develop a group of new generation teachers with right attitudes, ideals and values and are competent to practice education within the framework of Indian culture.
- ❑ Develop a new cadre of teaching professionals who can recreate the vision of Indian education and can contribute to social order based on equity and ahimsa.
- ❑ Inculcate in the would-be teachers values of humanism, spiritualism and cultural pluralism through their teaching and social behavior.
- ❑ Develop a new educational culture capable of producing a new generation of Indian citizens who believe in and practice the great ideals which Indians have upheld over the ages.
- ❑ Develop the students with technological and interpersonal skills.
- ❑ Promote a strong cadre of educational researchers who can produce new knowledge in education which will answer to the needs of the global society.
- ❑ Promote educational extension at different levels.

- v. Library and Information Science in Education

D. Enhancing Professional Capacities (EPC) Credits - 8

- i. Enhancing Digital Skills
- ii. Yoga for Human Excellence
- iii. Drama and Arts in Education
- iv. Life Skill Education

E. Practical Components (Credits – 24)

- Micro-teaching
- Citizenship Training Camp (CT Camp)
- Reading and Reflection on Text
- Enhancing Digital Skills
- Lab and Field experiences
- Observation of demonstration classes (of teacher educators and experts)
- Teaching Competency– Phase I (level -1)& Phase II (level -2)
- Observation of demonstration classes of mentor teachers
- Critical analysis of Peer Teaching (level 1 & 2)
- Text Book Review
- Lesson plan writing- (level 1 &2)
- Development of E-content
- Portfolio of school children
- Physical Education
- Experiments in Psychology
- Value education classes for school children
- Socially Useful Productive Work (SUPW)
- Preparation of teaching learning materials –(level 1 & 2)
- Yoga and related activities
- Health Education

- Reflective report on special school visit
- Weekly report of school experience in blog
- School based activities
- Construction of Achievement test
- Classroom Action Research
- Life Skills related social projects
- Working with community and experiences from social realities
- Preparation of multimedia package
- Study Tour
- Environmental activities
- Strengthening reading habits and reflections
- Educational video production

M.ED. PROGRAMME

The major aspects of M. Ed. programme are:

- Semester System
- Choice Based Credit System
- Continuous Evaluation
- Online Testing (internal examination)
- Internship Programme
- Value Added Courses
- SWAYAM NPTEL programme

Duration of the programme

The duration of the programme shall be two academic years comprising four semesters. The total number of days of an academic year will be 200 working days inclusive of internship and data collection in connection with the dissertation work, field attachment activities and exclusive of admission and examination. However the prospective teacher educators shall be permitted to complete the programme requirements within a period of four years from the date of joining the programme.

Courses of Study

The two year M.Ed. programme has 80 credits in total, in which 60 credits are allotted for theoretical components (perspective courses, tool courses, teacher education courses, specialization courses elective courses) and 20 credits for practical components.

I. The Core Courses include both theory and suggested activities which comprise of:

- i. Perspective Courses - 24 credits
- ii. Tool Courses - 16 credits
- iii. Teacher Education Course - 4 credits

II. The Specialisation Courses include both theory and suggested activities which comprises

- i. Level based Specialisation - 8 credits
- ii. Specialisation based on Discipline - 4 credits
- iii. Elective Courses - 4 credits

III. Practical Activities

- i. Communication skill - Expository writing related to education.
- ii. Self-development programme – yoga and social project
- iii. Academic writing
- iv. Internship in:
 - (i) collaborating schools, on the basis of discipline based specialisation for two weeks (2 credits)
 - (ii) teacher education institutions for two weeks (2 credits)
 - (iii) special schools (1 credits)
 - (iv) case study of any curriculum framing institutions such as NCERT/SCERT/DIET/ universities and autonomous teacher education institutions for one week (1 credit)
- v. Preparation of research proposal
- vi. Hands-on experience: Analysis of data using software (2 credits)
- vii. Dissertation (6 credits)
- viii. Viva-voce (2 credits)

IV. Research leading to Dissertation is related to discipline based specialisation

Components of the Programme Structure

A) Perspective Courses (24 credits)

- i. History and Political Economy of Education
- ii. Advanced Educational Psychology
- iii. Emerging Trends in Educational Technology
- iv. Philosophical and Sociological Perspectives in Education
- v. Curriculum Development
- vi. Trends in Educational Management and Administration.

B) Tool Courses (16 credits)

- i. Basics in Educational Research
- ii. Essentials in Educational Research and Statistics
- iii. Advanced Research Methodology
- iv. Approaches and practices of Counselling psychology

C) Teacher Education Course (4 credits)

- i. Teacher Education in India: Emerging Scenario

D) Level Based Specialisation (8 credits)

1. Context and Issues in

- i. Early Childhood Care and Education
- ii. Elementary Education
- iii. Secondary and Higher Secondary Education
- iv. Higher Education

2. Curricular Practices in

- i. Early Childhood Care and Education
- ii. Elementary Education
- iii. Secondary and Higher Secondary Education
- iv. Higher education

The prospective teacher educator shall select any one course from context and issues and curricular practices in the level based specialisation.

E) Specialisation based on Discipline-(any one) 4 credits

Advanced Methodology in:

- Language Education
- Mathematics Education
- Science Education
- Social Science Education

F) Elective Courses – (any one) 4 credits

- i. Economics of Education
- ii. Inclusive Education: Practices and Issues
- iii. Life Long Learning
- iv. Life Skills Education : Issues and Practices
- v. Education for Sustainable Development

Milestones of the College

1963	Foundation stone laid by the then Governor of Tamil Nadu, His Excellency Shri. Bishnuram Medhi.
1963	Affiliated to University of Madras with teaching of English, Mathematics, Natural Science and History as optional subjects.
